SMART FACILITY SERVICES

Website Content Guide

Purpose of the website

Your website should help apartment associations, property managers and businesses understand your services and contact you for a quotation. Keep it simple, professional and easy to use on mobile phones.

Suggested service area: Hoodi, Garudachar Palya and Whitefield, Bengaluru.

1. Home page

• **Company name:** Smart Facility Services

• **Tagline idea:** Reliable Facility Support. Every Day.

• A short introduction to the company and its services.

• Your service locations.

• A clear “Contact Us” or “Request a Quote” button.

2. Our services

List only the services you can genuinely provide or arrange:

• Housekeeping and cleaning

• Security staffing

• Electrical maintenance

• HVAC and air-conditioning maintenance

• Plumbing services

• General building maintenance

• Water tank cleaning, if offered

3. About Us — sample text

“Smart Facility Services aims to provide dependable facility management and maintenance support for apartments, residential communities and businesses in Bengaluru. We focus on clear communication, service quality and building long-term relationships with our clients.”

4. Why choose us?

• Clear quotations and agreed service scope

• Responsive communication and follow-up

• Service plans tailored to each property

• One point of contact for multiple maintenance needs

• Focus on reliable service and timely coordination

5. Our work process

1. Client contacts your company.

2. You understand the property's requirements.

3. You inspect the site if needed.

4. You send a quotation.

5. Work starts after the scope and terms are agreed.

6. Contact Us

• Business phone number and WhatsApp

• Business email address

• Service areas in Bengaluru

• Enquiry form

• Request a quotation button

• Contact person's name and phone/email

Important reminders

Do not use fake testimonials or claim experience, certifications, registrations or licences you do not have. Check the legal requirements that apply before offering regulated services such as security staffing. Be clear about what services you can actually deliver.
